

A car caught union leader in the FBI's net

By David M. Halperin
A car caught in a trap set by the FBI on Nov. 10, 1981, was the vehicle of a union leader who had been named as a suspect in the assassination of Dr. Martin Luther King Jr. The car was found in a parking lot in Philadelphia, and the driver was identified as a member of the International Brotherhood of Teamsters.

The car was found in a parking lot in Philadelphia, and the driver was identified as a member of the International Brotherhood of Teamsters. The car was found in a parking lot in Philadelphia, and the driver was identified as a member of the International Brotherhood of Teamsters.
