FBI WORKING DOGS

Working dogs are specially trained to assist agents and protect people by identifying evidence and potential dangers. They see work as a game for which they receive an edible treat, a favorite ball, or a chew toy as a reward for playing.

Locate and redact or circle the following words within the grid. The words may be hidden horizontally, vertically, or diagonally and may appear backward or forward. Ignore words contained within parentheses.

ALERT	MISSING PERSONS	SARS (Search and Rescue Dogs)
BLOODHOUNDS	NARCOTICS DETECTION	SCENT
