## **FBI LABORATORY**

The FBI laboratory provides forensic examinations, technical support, expert witness testimony, and training to federal, state, and local law enforcement agencies, as well as operational response to events, such as terrorist attacks and natural disasters, all around the world. Forensic examiners are highly educated scientists and expertly trained technicians; each with their own specialty. The FBI Laboratory can be used by authorized police departments and provides examinations and testimony in state court at no cost to the summoning law enforcement agencies.
