## ***ECONOMIC CRIME***

Economic crimes are crimes committed in the course of a business transaction and are characterized by deceit, fraud, and concealment to deprive others of money or property. The motivation behind these crimes is financial--to obtain or avoid losing money, property, or services or to secure a personal or business advantage.

Locate and redact or circle the following words within the grid. The words may be hidden horizontally, vertically, or diagonally and may appear backward or forward. Ignore words contained within parentheses.
