## SERIAL KILLERS

Serial killers have become celebrity monsters captivating the interest of true crime and horror fans. This public fascination began in the late 1880s, after a series of unsolved murders of sex workers occurred in the Whitechapel area of London. The murders were committed by a still unknown individual who named himself “Jack the Ripper” and sent letters to the police claiming to be the killer

Locate and redact or circle the following words within the grid. The words may be hidden horizontally, vertically, or diagonally and may appear backward or forward. Ignore words contained within parentheses.
