**Fugitive seen in Akron  
captured in Nashville**

The FBI has captured a fugitive who had been seen in October in Akron and who was wanted on a sexual charge involving a North Carolina girl.

Rickey Allen Bright, 41, was arrested by the FBI at a motel in Nashville, Tenn., earlier this month. He was returned Wednesday to North Carolina to face charges in the Oct. 8 rape and kidnapping of a 9-year-old girl.

The FBI said it received a tip about Bright's presence in Nashville after his picture ran on the TV show *America's Most Wanted* on Jan. 6.

Bright was remembered as being quiet and unassuming while staying at a South Main Street residence for men in Akron for two weeks in mid-October.

The owner of the residence saw Bright's picture at that time on another segment of the same television show, and notified the FBI, but Bright had already left Akron.
